### **RE: Forward Looking Infrared (FLIR) cameras owned, proposed, or in use by the San Diego Harbor Police**

To Whom It May Concern,

In response to your request dated January 14, 2019, I have researched our records and have found the following attached responsive documents. The responses to the enumerated questions as listed in the request are as follows:

1. The Harbor Police Department utilizes FLIR thermal cameras in pole-mounted and vessel-mounted applications. Please note that some security sensitive information has been redacted pursuant to government code §6255.
2. There are no responsive documents.
3. An officer proposed a handheld FLIR acquisition in June 2018. The memo and agreement to test the FLIRS are attached. The FLIRS proposed in the memo were not purchased.
4. There are no responsive documents.
5. There are no responsive documents.

Thank you,

Eric Womack, Captain
